**31 / Student / Dublin**

## **Description**

Anna has always wanted to shop local but has not had the time. Covid has given her the opportunity to cook more and take more time with her food.

Having recently moved to the Dublin 3 area she has recently discovered The Fresh Market. Due to the a poor website she has struggled to find out much about the shop.

She would like to know what kind of deli and take items they offer and if they deliver? What are there opening hours?
